To follow up on the questions you posed:

MidAmerican Energy Company is not asserting that any information in the packet sent to you dated April 3, 2020 (including the December 11, 2003 packet addressed to the Iowa Department of Natural Resources) is "confidential business information."

You asked for a full copy of Exhibit 9, the Agreement between Omaha Electric Committee, Inc. (for itself and as trustee for Omaha Public Power District) and Iowa Power and Light Company dated February 11, 1949. A complete copy of the text is attached to the December 11, 2003 packet to the Iowa Department of Natural Resources as attachment 3. I see the Agreement's exhibits B-D were not included and I will try to locate them.

I am searching for the other records you requested and will be back in touch.
